

Latin America

If you are thinking about a trip to Latin America, the range of destinations and types of holiday available are huge. Read on to learn a little bit more about this vibrant, colourful and culturally rich region...

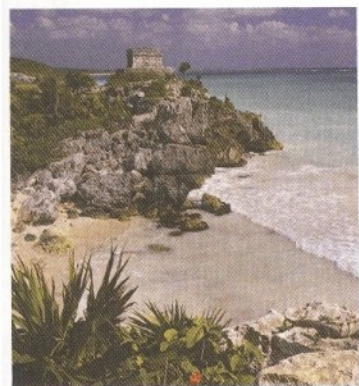

The statue of 'Christ the Redeemer' looms over the sprawling mass of Rio de Janeiro

Something for everyone

Finding a top-notch tour operator that understands the tremendous diversity that Latin America has to offer is probably the key to unlocking the myriad secrets of this engaging, living continent. With its ancient civilisations, spectacular scenery, rhythmic musical beats and cultural gems – not to mention the friendly people – Latin America offers something for everyone. The Amazing Destinations Travel Group

(www.amazingdestinations.net) offers hundreds of tour programmes and an impressive variety of unique excursions.

From escorted, fixed-date departures for both cultural and adventure packages, five-star, VIP private tours with the most luxurious hotels in Latin America, discounted student tours, family packages, mountaineering and trekking expeditions around the whole of South America – as well as special interest tours ranging from archaeological trips to bird watching tours – this reputable firm will help you plan your trip. ▶
